The Department of Developmental Education provides a comprehensive program of preparatory courses in composition, mathematics and reading to help students acquire the basic skills necessary to complete a college-level course of study. The department helps the college's commitment to accommodate students with diverse goals and backgrounds.

The department also operates the Student Success Center, which supports the formal developmental education instructional program through testing, tutorial services and a system for self-paced instruction. The center also provides information about the content

of the tests conducted through the Texas Higher Education Assessment Program.

Student Success Center (SSC)

101, 102, 103 Individualized Instruction 0:0:1

Self-paced tutorial lab instruction for students needing individualized remediation. The SSC requirement pertains to students in ENGL 0302, ENGL 0317, MATH 0313 and MATH 0332.

NOTE: The lab or SSC requirement for any developmental course must be completed concurrently with that course, or a grade of "FD" will be issued for the course.

101 is reading remediation, 102 is math remediation, 103 is writing remediation.

The Department of Health, Fitness and Sport provides a broad series of courses to enhance the mental, social and physical well-being of students, faculty and staff.

The department offers courses of study leading to an Associate of Arts Degree in Teaching (EC-12 Emphasis in Physical Education) or an Associate of Arts Degree with an emphasis in Kinesiology, which also satisfy Core Curriculum requirements at all state colleges and universities in Texas. These associate degrees will transfer to schools that offer four-year baccalaureate degrees requirements.

The department also offers a wide variety of physical activity classes which fulfill Core Curriculum.

Fitness courses, sport activity courses (credit and non-credit) and a variety of sports events are available to enrich the lives of everyone associated with the College.

Associate of Arts Degree with an Emphasis in Kinesiology

The Associate of Arts Degree with an Emphasis in Kinesiology parallels the first two years of study of Kinesiology baccalaureate programs at state colleges and universities in Texas. The associate degree requires 48 semester credit hours of courses from the Core
