- You must provide the E-mail address of your parent/other and indicate if he/she can view the billing statement, view payment history or both. The authorized user will receive an E-mail with the password and Internet Address to access E-Bill.

Authorized Users

From this page, you can give others (parents, employers, etc.) the ability to access your account information. In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users DO NOT have access to your stored payment methods, academic records, or other personal information.
